

AFTERNOON PROCEDURES

If your procedure is scheduled to begin AFTER NOON, then you will need to adjust the timing of your colonoscopy preparation to optimize the cleansing process.

ALTER THE INSTRUCTIONS PROVIDED to adhere to this adjusted timing:

1. You may EAT LOW RESIDUE FOODS until 8 p.m. the night before the procedure. After 8 p.m., you may have clear liquids only.
2. Take the FIRST DOSE approximately 8 hours before your scheduled procedure time (between approximately 4:00 a.m. to 8:00 a.m.). Follow instructions for additional hydration.
3. Take the SECOND DOSE approximately 4 hours before you plan on leaving for your procedure (between approximately 7:00 a.m. to 12:00 p.m.). Follow instructions for additional hydration.

NOTE: IF YOU ARE USING SUTAB PILL PREPARATION, TAKE THE SECOND DOSE APPROXIMATELY 5 HOURS BEFORE YOU PLAN ON LEAVING FOR YOUR PROCEDURE.

You **MUST FINISH** the final glass of clear liquid **AT LEAST THREE HOURS BEFORE YOUR PROCEDURE!** Absolutely nothing more to eat or drink three hours before your scheduled procedure time!

40 minutes before your scheduled procedure time, check in at 40 Skokie Boulevard in Northbrook, Suite 110.
